

Comprehensive Data, Powerful Analytics, and Dynamic Reports

**Hundreds of datasets on
over 166 million properties.**

RPR provides easy access to detailed property and market information. The best part? It's included in your NAR member dues, so there is **no additional cost.**

Maps you can really use, and data to back them up.

School attendance zones, FEMA flood maps, demographic information, thematic maps, heat maps and more are available in RPR.

The best reports in the business!

With RPR reports your clients will appreciate the insightful data arrangements, and you'll appreciate the speed and convenience!

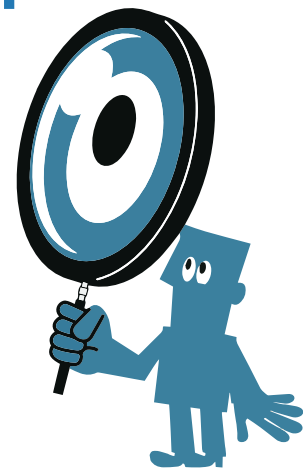

This is your tool. It needs to be effective, user friendly and allow you to be more productive. That's why we rely on REALTORS® to help design features, like our Comps Analysis and Property Investment Analysis tools.
