Members –

It is with great sadness that we learned of the passing of Representative Mike Carter on May 15. Those who had the pleasure of working with Representative Carter over the years will miss his passion, dedication, and determination for a better community.

Representative Carter always was available to meet with REALTORS® about the issues impacting private property rights and the real estate industry in Tennessee. REALTORS® are grateful for his support in phasing out the professional privilege tax, passing various legislation affecting landlords, and defeating impact fees and transfer taxes.

Representative Carter was committed to his family, constituents, state, and country, and he will be sorely missed. Our thoughts and prayers are with the entire Carter family and General Assembly family.

Sincerely,

Robert Backer
2021 President
